| 2 man | 6 hole | 10 ground | 14 talents |
| 3 put | 7 work | 11 servant | 15 received |
| 4 dug | 8 money | 12 earned | 16 master's |
| 5 hid | 9 talent | 13 gained | 17 one |
| | | | 18 more |

The master returned and called his servants to settle his accounts. He was not happy with the servant who hid his money in the ground. He took the talent back and sent the servant away. But he was very happy with the two servants who had made more money.

Use the code to read what he said to each of them...
